

Creative Themes Day Camp Pre-Camp Newsletter

Director's Notes

We are very excited to start our summer off with a revamped pre-camp experience. We will be utilizing all areas of camp that your children will love. This includes things like our nature trails, fishing, canoeing, archery, adventure courses, arts and crafts and much more.

Through the use of these activities, campers will become comfortable with their surroundings and interacting with other children. We have highly trained staff that create the safest and most fun environment possible for your children. Your children will be coming home with full minds and tired bodies.

Camper's Backpack

Extra clothes
Extra Shoes
Swimsuit and Towel
Jacket/Raincoat

(Please label all items to ensure safe return)

PRE-CAMP OPEN HOUSE

We hope that you will take the time to come meet the friendly staff that will be working with your children here at Creative Themes as well as getting to know the environment your child will be exploring for the summer. We look forward to meeting you and your camper at our Pre-Camp Open House. We have reserved a special day just for our PK4/K campers on June 3rd. You are invited from 10:30-11:30am or 1:00-2:00pm ([RSVP](#)). We ask that if you can let us know you are attending that and which session that would be great so we can have staff available.

Our family open house will be June 12th from 11:00-3:00pm no RSVP needed all are welcome.
