

PRE-DAY CAMP PROGRAM (PDC)

JUNE only

This program at Creative Themes will run for three weeks in June, designed for campers entering PK (4) and K in the fall. Campers can enroll for 1,2 or 3 sessions. All sessions will have half day program (9-1) and a full day program (9-3). **All campers need to be 4 by September 1st, of that fall.**

Groups

Our staff during PDC is college students and professionals who have dedicated their education and careers to working with children. This is a fun and energetic staff, many of them with years of Creative Themes experience. Our staff ratio for the PK (4) and K program is 1:6 overall.

Activities

All campers will have an opportunity to try our FACT (Fishing, Archery, Canoeing and Theater (Performing Arts)) activities. Each FACT activity will be done during the week at least once but more often if time and weather permits. All activities are highly supervised with our qualified staff.

Swimming pool and waterslide activities will be scheduled, if the weather permits. Our experience has found that Rochester weather does not make great swimming conditions for the month of June. Pools are always supervised with certified Lifeguards and Water Safety Instructors. Every time we use the pool we stress water safety and having a fun learning experience. Note: Our pools are 2 ½ to 4 ½ foot deep and great for beginner campers to learn and have fun.

Creative Themes has built our Summer Camp around Experiential Learning, also known as Outdoor Adventure Education. We have designed activities and elements that are age appropriate for the PK and K age groups. Our staff is trained to help campers experience a safe and fun outdoor play and learning experience.

Art is done daily.

Lunch/snacks Note: Our lunch program has changed from previous years.

Our PK/K campers will be provided a daily morning snack and an afternoon snack for all full day, 9-3 campers.

Lunch will be provided for campers and staff on FRIDAY only. Friday camp has "Pizza Party." **Parents provide lunch on Monday, Tuesday, Wednesday, and Thursday.** Kool-Aid, lemonade, and water are provided every day for lunch. Cool drinking water is always available all day/every day.

Note: A CT camp t-shirt, is provided the first day of each session. (Note: 1 t-shirt per registered camper.)

Pick-up and Drop-off

The first day of camp, parents typically park and bring their child into camp to sign-in. Creative Themes staff is always at the parking lot from 8:30 to 9:00 for any camper that wants to be dropped off, staff will make sure the campers safely get to their group. Parents can choose to drop-off or are always welcomed to park and walk their child into camp.

Pick-up takes place at 1:00 or 3:00. Parents are directed to line up in their cars and campers will be escorted out of camp by their counselors. The CT staff then proceeds to follow our very safe loading and releasing of vehicles. This has been a very safe and efficient system for years. We ask that you follow directions, stay in your cars, and trust our great staff.
